## EXPERIENCE

### INTERNSHIP | .NET DEV | CONSULTEWARE | 2019 (6 MONTHS)

C#, Visual Basic, T-SQL, .NET Framework

Developed a time clock management system tailored for small businesses.

The system was designed to optimize user experience and operational efficiency.

Gained valuable insights into working with relational databases and optimizing queries for efficient data management.

### INTERNSHIP | IT HELP DESK TECHNICIAN | OGMA.SA | 2017 (4 MONTHS)

Windows OS, Microsoft Office, Hardware Repairs

Collaborated with Capgemini professionals to resolve complex IT tickets, improving problem-solving and analytical skills.

Managed the formatting and configuration of Windows operating systems to ensure performance and security standards.

Participated in gathering technical requirements, conducting IT infrastructure audits, and performing hardware repairs, further expanding technical expertise.

### INTERNSHIP | FRONTEND DEV | PARISH COUNCIL OF PÓVOA DE SANTA IRIA | 2016 (2 MONTHS)

HTML, CSS, Javascript

Contributed to the development of the local parish council's website by designing and implementing responsive, user-friendly interfaces with HTML and CSS.

Enhanced the website's functionality and interactivity using JavaScript.

This experience improved my frontend development skills and strengthened my ability to collaborate in a team, solve problems efficiently, and apply web design best practices.
